

UNIVERSITY OF UTAH
Ph.D. Program in Biological Chemistry

PERSONAL REFERENCE

Applicant — Please complete this section before giving the form to an endorser.

I waive / I do not waive my right to have access to this Personal Reference Form. (please circle)

Printed Name: _____ Signature: _____

To the Endorser:

- Please rank the applicant, *with respect to his/her peers*, using the following scale:

1 — outstanding (top 5%)	3 — average (top 50%)
2 — above average (top 25%)	4 — below average (bottom 50%)
X — inadequate information or not relevant	

<table style="width: 100%;"><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Analytical ability</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Creative ability</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Enthusiasm and motivation</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Ability to organize and express ideas clearly</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Ability to work with others</td></tr></table>		Analytical ability		Creative ability		Enthusiasm and motivation		Ability to organize and express ideas clearly		Ability to work with others	<table style="width: 100%;"><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Undergraduate preparation</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Laboratory skills</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Familiarity with scientific literature</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Intellectual independence</td></tr><tr><td style="width: 30px; height: 25px; border: 1px solid black;"></td><td>Potential for success in graduate school</td></tr></table>		Undergraduate preparation		Laboratory skills		Familiarity with scientific literature		Intellectual independence		Potential for success in graduate school
	Analytical ability																				
	Creative ability																				
	Enthusiasm and motivation																				
	Ability to organize and express ideas clearly																				
	Ability to work with others																				
	Undergraduate preparation																				
	Laboratory skills																				
	Familiarity with scientific literature																				
	Intellectual independence																				
	Potential for success in graduate school																				

- On the back of this form or a separate page, please provide brief written comments, particularly on the items below, that would assist us in evaluating the applicant's suitability for a Ph.D. Program in Biological Chemistry:
 - How well and in what capacity you know the applicant
 - Research experience and accomplishments of the applicant
 - Other positive or negative factors that should be taken into account

Signature: _____ Date: _____

Printed Name: _____ Title: _____

Department: _____ Institution: _____

E-mail: _____ Address: _____

Please return this form directly to:

Biological Chemistry Program
15 North 2030 East
EIHG 533 Room 1400
Salt Lake City, UT 84112-5330

____ Please check here if you do not want us to send you information about our graduate Program.
